Resolution No VI dated 24-1-56

VI Proposed by Sri. M. Madhva Raj, B.A., and seconded by Sri. A. Ananth Nayak, the following amendment to the schedule of rates of Landing and Shipping Fees Payable at the Port as sanctioned in G.O. Ms.No 3462 PWD dated 1-10-1954 and subsequently amended is unanimously approved.

"Serial No 14

Delete the words ' and wet' after ' Fish dry' and insert serial No 14 (a) immediately below as ' Fish raw and wet, salted or unsalted, per ton of 20 cwts, Rs 1-4-0 "

Copy togetherwith draft notification, submitted to the State Port Officer, Madras through the Port Officer Mangalore for favour of necessary action with reference to correspondence ending with State Port Officer's endt. No 2172 G1/54-3 dated 12-10-54.

2. Wet fish is exported to Cylone Ports like Dodanduva in kumpa big casks and raw fish to Bombay in launches. The average quantity of wet fish exported to Dodanduwa during the previous 3 years was 803 tons and the quantity of raw fish exported was nil. But, during December 1955, six launches carried about 30 tons of raw fish from this port to Bombay. The committee considers that the rate of Re 0-10-0 per ton of 20 Cwts for raw and wet fish levied is too low considering the value they fetch at Bombay and Cylone Ports and hence the rate on raw and wet fish should be increased. Hence the above resolution.

3. The effect of the above amendment to schedule of Landing and Shipping Fees sanctioned in G.O. Ms. No 3462 PWD Dated 1-10-1954 will be an additional revenue of Rs 803/- per annum based on the average quantity of wet fish exported to Dodanduwa alone during the previous 3 years (i.e. 1952-53, 1953-54 &1954-55)

4. I request that the amendment proposed may please be approved and given effect to on and from 1-5-1956.
